AQUARIUS

The Aquarius is designed with unbeatable durability and functionality in mind. Featuring commercial-grade fiberglass ribs and a push-up automatic locking system, this center post is built for strength and longevity. Ideal for a wide range of applications, including ocean and pool side environments, the Aquarius provides reliable shade and modern design to elevate the space.

Includes high performance protective cover

The Aquarius exemplifies innovation through its sleek design, practical functionality, and robust construction.

SHOWN | **AQU-235-SS** in 5402 Granite

LIBRA

The Libra delivers beauty, functionality, and unquestionable durability. This center post umbrella was designed for most commercial applications featuring an easy to use push up system with secure automatic locking. The Libra's internal counterweight design ensures the umbrella opens easily and glides to a close. In larger sizes, a telescoping mast is featured for ultimate shade functionality.
